Other comments

- If Bob at Dunkin ever loses his job, we're all in big trouble
- I have been really lucky to have him as a teacher
- Bruce is an excellent instructor who is very thorough in his job.
- Bruce is a great teacher
- Fun and informative course
- Bruce's strength is his desire for students to walk away from any of his classes feeling prepared for other sociology courses. He does not lower the bar. If you get an "A" in Bruce's class, it is worth its weight in GOLD-you know that you know your stuff.
- Maybe the instructor could have guest speakers come in more often
- Great class, love the teaching style. Bruce does an exceptional job.
- This is a great class with surpassingly practical information for the subject (classical sociology)
