Instructor Name: Bruce Ravelli
Course ID & Section: Slgy 2201-004
Semester: 200304

Instructor Signature: _____

1. Bruce is a fantastic professor. He is funny, intelligent & has too many good qualities to list. I plan on continuing to take sociology courses, as long as he is teaching them.
2. I found that you seemed to expect a lot more than should be expected from an introductory course. You assumed we would communicate in specific sociological ways that we (the majority) have no background/experience. You're very friendly and lively and it makes the class environment enjoyable. I noticed common (negative) generalizations regarding issues of pornography whenever they were brought up and as a former sex-worker was very offended and uncomfortable in the class environment.
3. Bruce is a really good prof. He makes his class really interesting and makes the material easy to understand by using relevant examples. Really awesome class and an excellent professor!
4. Very interactive class. I enjoy being in class and appreciate Bruce's efforts to make things interesting. (I don't know any other teachers who would make-believe dressing up as a woman)
Thanks!
5. Very passionate about his teachings. Does an amazing job engaging his students into the course. One of the best teachers I've had.
6. Test questions far too broad based to answer properly or to get marks high enough to count effectively.
7. Bruce is very passionate about teaching. He really loves sociology, and you can see it in his class. He involves us in great class discussions. Although he is a hard marker.
8. Bruce was an excellent instructor who is very knowledgeable. His classes are always fun and I obtained a lot of info from them. One of the best instructors @ Mt. Royal.
9. Good examples, & knowledge of subject. Overall excellent teaching of content.
10. I think Bruce is a really professional, informative and excellent professor. He makes class very interesting. The only thing I would like to say is that we need a text book to study from!
11. Bruce is a very good instructor. He makes his class fun and interesting. He is very fair. I would suggest him to anyone taking the class.
12. Great teacher. I've never had better. Very passionate.
13. I think he is a good, respectable and intelligent teacher.
14. Great teacher, good use of analogies, humor as well as topics you can relate to. Should be more tests. Two big ones is way too much pressure. Smaller tests rather than 2.
15. Awesome class. One of the few I enjoy going to.
16. Awesome! good teaching strategies. Fun learning environment help a lot. Could relate course material to daily activities. Tough tests, but fair marker.
