1. Tough low Fair class. Bruce is an awesome teacher and it is an awesome course.
2. – Great instructor!! - Loved the course - Exams are really hard & stressful
3. Very good instructor. Great examples. I would definitely recommend Bruce to other students and I hope I can take another class with him.
4. – His effective examples helps me the most for understand the topics he teaches. – He is always more then prepared. – And his feedbacks are intelligent. – I ENJOYED EVERY SINGLE CLASS!!!
5. Love the class and look forward to it everyday. Great ability to keep everyone interested and awake. Great ability to connect with students and put class material into ways easy to understand and relate to. Reading tests are a great idea and they keep you on your toes. Basically the class and teacher are awesome.
6. Maybe spread out information into 3 exams instead of having to know so much info for 2 exams.
7. Bruce is a great teacher. I highly appreciate the fact that he is readily available and willing to help me as a student succeed in the course.
8. Didn't really know what to expect after the first day of class. As days went on I began to enjoy your class & sociology. Your teaching method's are great. Your very clear & straight to the point. Been to 6 different schools in the past & your top 3 teachers I've had. Thanks for your help keep teaching
9. The first couple of weeks in this class was very unique compared to any other experience I have had at the college. There were times I agreed with Bruce's bluntness and times when he seemed a little overly intense. However, after the midterm's an established, consistant class developed & the class structure is more comfortable and intriguing. The class was always interesting things just got more fun. Great learning!
10. I like the class, it is hard but enjoyable. I like the class discussions, and his sense of humor.
11. I am EXTREMELY pleased with this class, and look forward to it. Bruce does a remarkable job of explaining the concepts, and makes sure everyone understands them before going on. Marking is very fair, and everyone has the opportunity to achieve 100%. I do hope to have further classes with him as I am truly inspired by his passions for Sociology. Thank-you very much!
12. I think Bruce's course is amazing and would recommend it to other students interested in Sociology. The examples and stories given explain the material well and provide entertainment. I have never been bored in his class.
13. – Very different teaching style and evaluation then my other classes. – Challenging course but fair. – good class to “make you think”. – was usually good at keeping own opinion out of teaching but was frustrated at times when bias/or opinion was obvious → regarding Christianity, especially.
14. → very entertaining → knowledgeable → seemed very rigid at beginning → became nicer as semester came to the end → originally very intimidating.
15. This class is great! I could sit and listen to Bruce lecture all day. He is very entertaining and makes the material very interesting. The tests are fair however I would like more feedback on the test to explain where I lost marks. The online reading quizzes are very very helpful for the weekly quizzes. Thanks for such an interesting class, I only wish I didn't have to worry about marks etc. and that I could just sit back and learn.
16. Mr. Ravelli's lectures are often interesting and fun. There is quite a lot of material to cover. Mr. Ravelli's standards are quite high, but the instruction is of the highest quality. I really enjoy this class.
17. I think Bruce is funny and enthusiastic but very strict at marking and sometimes unfair when marking midterms.
