1. Bruce is one of the very best teachers I've ever had. He was built to teach, and it so refreshing to have an instructor that is so good, I never miss his class. Bruce has great examples to help illustrate the material, and he alone has made this semester at Mt Royal particularly memorable and enjoyable. I cannot say enough positive things about him as an instructor. The mini-midterm is very helpful – great way to teach, and the weekly reading tests are a great way to ensure we are learning to our full potential. Great class – thanks again Bruce
2. Awesome teacher! Super fun, knows content well. Marks hard though, has high expectations but he keeps me interested all class and he makes class interesting Great job teaching!
3. Can say nothing but good things, keeps class interesting, clearly establishes student responsibilities, fair marking Would recommend to other students
4. I think your teaching is superb. You have a way to make every student engaged. You also provide relevant day-to-day examples based on course material to help for a better understanding. I have thoroughly enjoyed your upbeat, exciting & interesting class.
5. This class was thoroughly enjoyable. I really like the mini-midterm idea It was very helpful. He makes the class fun, but informative and makes points to help me remember. I would definitely recommend him to others.
6. I really enjoy Bruce's teaching. I am sad when I miss a lecture. He is a great instructor. Highly recommend him He is fair & provides examples & stories!!
7. This class is amazing, I have never had a teacher where I looked forward to coming to class, and was surprised on how fast the class ended.
8. Bruce makes the class room fun and interesting. His examples and methods stick inside your head whether you want them to or not. He is passionate about sociology and he passes that on in every class.
9. I really enjoyed Bruce as an instructor, he put a new spin on learning, and his enthusiasm really involved me as a student in this class. I will/have recommended this class with Bruce to other students. I left the class with an open mind and different perspectives everyday.
10. He is an outstanding instructor. To me, he is the best instructor I've had the pleasure to greet in this whole college. He is clearly prepared and makes sociology easy to comprehend.
11. – Great instruction, and teaching; made this class very enjoyable. – While the constant reminder of the midterm did make me more nervous, I felt prepared for how hard it was going to be.
12. Bruce is very nice and funny. He knows the course content well, but sometimes he agrees with it too much and gives his opinion too often. I feel he is very sexist towards women. Although, I learn a lot in his class.
13. I have thoroughly enjoyed this Sociology course this semester. In fact it is the best course I have taken here at Mount Royal in my 2 yrs of being a student. Every class I walk out still thinking of his lectures and he has inspired me to think about taking sociology as a degree. So keep up the excellent work!
14. Bruce's passion for Sociology is clear in the delivery of his lecture. I enjoy coming to class & also enjoy his style of teaching.
15. Instructor is good & very informative, but I feel as if I don't really have enough information on paper that can be studied @ home. Ex: slides, class notes
16. Bruce is amazingly enthusiastic and obviously revels in the material, which is very useful for my learning.
17. Bruce is an excellent teacher his classes are very fun filled which makes for an excellent learning environment. After our first pre mid-term I visited his office hours and he clearly explained and helped me realize what his exact expectations were. The way his exams force you to actually learn and explain the material has actually helped me in other classes.
