1. I have no concerns with this instructor. He well prepared very knowledgable and approachable. That's everything a student needs to do well in any course.
2. Awesome instructor, love the class
3. Whishing all teachers were as interesting as you. Your ability to discuss general experiences into your lectures is wonderful. Social Reader policy is great. (I'm personally epathetic to lectures.)
4. Great teaching skills. I would definitely recommend Bruce Ravelli for SLGY to other students. Straight forward material, also very effective.
5. -I love the way Bruce teaches. He is very enthusiastic at class involving. This course is very interesting but Bruce really makes it fun and is very approachable. I personally think reading test are interesting and understand why we do them but they bring my marks down, maybe if the learning centre gave a class workshop it would help. Awesome teacher though.
6. -makes lecture interesting and engaging -very knowledgeable and I can see he has a passion for what he teaches. -I have been recommending Bruce to friends at MRC.
7. -I love the class, fun to be in. He is a fun and energetic teacher. He does tend to mark fairly hard on the exams. In the end he is a great teacher and makes the class fun.
8. For a normal person you are open minded. But as a sociology teacher you are not. Try to be more open minded.
9. Bruce made sociology fun for me. He is a good instructor and knows the material he is teaching. He doesn't just read off the powerpoint but involves students.
10. Bruce is an extremely engaging teacher. He manages to take short, 50 minutes classes, and pack them with so much information that I completely absorb and remember. He is very clear on what the course expectations are, and I always am sure of what I am to complete/ prepare for.
11. I thought the class was conducted very well. I really enjoyed it wish there were more instructors like you. I didn't think the midterms were overly difficult I always knew what was expected of me. But whether I was able to raise to the challenge...
12. I like the way he communicates and appretes students. He teaches by relating to modern day and living and it helped me learn faster and quicker.
13. This class has inspired me to minor in sociology. I would not change a thing about it.
14. Bruce is very knowledgeable instructor that has high expectations of his students. His classes are full of enthusiasm and examples of sociology we can relate to everyday life. Thanks for the sociological imagination!
15. Bruce is very approachable. Between office hours, in-class questions and a very appropriate pace I feel like I'm getting the most out of this course. His use of in class examples really help me to understand the material. He is a harder marker but he lets you know right from the first class.
16. -his strongest teaching tool I how he reaches out to all students, visuals, powerpoint, speaking. - his examples on lectures are amazing, using different instances to help everyone -he knows sociology very well, always prepared for class-hes always willing to clarify an idea that's unclear -best professor I've had yet
17. Ravelli is a great teacher all around. I feel comfortable participating in class because he makes the lectures so enjoyable. From the very start it's been clear what is expected of us and I really value that kind of information and organization. I hope to have him again as a prof in the future.
18. I've never looked forward to coming to a class before sociology with Bruce. Bruce turns a boring lecture into something fun and interesting-he has a way of captivating the learners which I feel is very important. Best of all, he has a sense of humor and teaches both sides(good and bad) of a topic and lets us formulate our own opinion. Extremley hard marker but completely and 100% fair. Most enjoyable class so far my schooling career.
