1. I think that Bruce Ravelli's class was taught very . I always wanted to come to class and learn something new. He is a great teacher.
2. Very interesting lectures and Informative. The lectures give a great into to Sociology. The exams are fairly daunting. A more varied approach on them would be nice. Ex: A few more short ones. Lectures are quite enjoyable.
3. -very interesting course material -instructor is well prepared -very friendly - I like spaghetti - good use of time
4. I really like Bruce as a teacher. His methods of teaching work well for me.
5. I really enjoy your stories and examples to relate content. It helps me to gain a great perspective on sociology and what it means to have a sociological imagination. Plus, most o the time I'm laughing coming out of your class. Thanks for making learning enjoyable.
6. I could not have picked a better course or instructor for my first college semester. Bruce gives interesting well planned lectures and has made this course extremely enjoyable.
7. This class is very interesting. Bruce is always prepared with in-depth lessons, colourful topics, + captivating content that makes me want to come to class and learn.
8. Great teacher, pleasure to seek knowledge. Would take another course with same teacher and would recommend him to others as well.
9. Bruce is an incredible instructor, Probably the best I've ever had. Wicked course. Would recommend for anyone.
10. Bruce Ravelli is amusing in a way that helps me learn sociology. His lectures are illustrated well because he describes it in a way that his students can connect to what he teaches. His sense of humour also makes the class not boring.
11. Through the duration of the course I have found Bruce Ravelli's teaching to be the best suited for my learning needs. Explanations and examples are shown in a clear and efficient manner. Due Dates and marking of tests are clear and I was able to understand his wants from the students. Best teacher I have had so far at Mount Royal.
12. Bruce is a very great instructor that shows that he is very knowledgeable and passionate about sociology. I only wish his tests were a little bit easier, because no matter how much I studies, I did not feel prepared. Keep up the great job Bruce!
13. Funny, knowledgeable and a great instructor. He puts things in context which helps students learn and remember content better. His choice to have 4 mini midterm was such an awesome thing. It really helped me prepare for the rest!
14. My favorite teacher so far, I want to come to class because you make it fun and intersting, I don't think I'd like sociology as much if I didn't learn it the way I have. You try and make concepts clear, and turning off the notes is perfect to make people listen when you are making a point. You seem to treat everyone the same and I relate best to your style of teaching. Clear communication is important too; you don't talk to fast or slow.
15. I would recommend this course to anyone. Bruces' ways of teaching have really aided how I perceive the information and his way of putting tests together, while quite difficult, is a great way to learn far more that just what is taught in his lectures. He is approachable + very respectable and I feel comfortable asking for help. I only wish more teachers taught as passionately s he does. It makes the class come together which I believe is rather rare in a college environment.
16. I have enjoyed the time I have spent in Ravelli's class. Few teachers have ever made me think about life after every class. The material alone is interesting enough but Bruce Ravelli has made me want to keep coming back for more. He knows the course well and he know s how to hold the students attention.
