1. Best teacher I've ever had! Thank you so-oo much Bruce for making this such a fun class, I learned too much ☺ Thanks again!
2. Bruce was single handedly the best GODDAMN teacher I have EVER had (so far). He made my decision to return to school feel like the right one. His instruction style is exciting, engaging and inspiring. He made EVERY class a joy to come to, even after a long day of work. He is accessible, helpful...he cares about students and CLEARLY loves to instruct. All instructors should be measured against his superior teaching style.
3. Bruce's class was always entertaining. The material he presented was always done with enthusiasm and was easy to follow. I wish more profs exhibited the passion for teaching. Thanks Bruce, keep up the good work! I must say before this class I might have been a "Bob," never again!
4. Very knowledgeable, very good at teaching, I am glad to have had Bruce as an instructor.
5. Thank you for being an inspiring, motivating teacher. Your course was by far my favorite this semester because the way you conveyed subject material made it very interesting and eye opening for me. Honestly, I don't have anything negative to say about your pedagogy! Thank you for your humor and caring attitude towards the well being of students.
6. Great teacher – tough marker!
7. Bruce is very passionate and excited about the course material, making it much easier than most classes to retain course content. His enthusiasm and positive attitude makes it a pleasure to be in class, and I am thoroughly disappointed if I miss one. I would recommend Bruce as a teacher to anyone interested in taking this class. Tough but fair is the best way to describe his marking. TNX ☺
8. Instructor is well prepared with the information he provided during this course. Gives great insight into society at large. Also allows students to be very open about different subject and encourages all students to input own opinions and ideas in class.
9. Bruce is overall a good teacher to have for sociology. He says a lot in the classes and covers mostly everything. I don't find him as boring as my other teachers because he's always happy about discussing sociology, and he does not have a boring voice. I would definitely recomend the teacher to others.
10. This class was a pleasure to attend, even though it goes until 9pm. Bruce made the class fun and interesting and tried to get everyone to participate. He effectively incorporated humor into the class. His teaching methods allowed students to recognize their role in society. It is definately a class I will remember, not because of the content, but because of the instructor.
11. Passionate about teaching! Delivers content in an organized manner that allows me to learn material. Smoothly. Great instructor and hope to work with him in the future.
12. This class was probably the most interesting course I have taken in my 3 years of college. It was an absolute information overload but Bruce's style of teaching was absolutely amazing. This proff. Will take the time to explain the theory until you understand. Also he knows who is audience is typically 18-27 year olds and his examples he used kept the class interested and always engaged. Thanks Again Bruce...*student signature* Oh ya maybe throw in another movie, 3 hour lecture is loooong!!!
13. Bruce is a wonderful teacher and I hope to take a course from him again next term! He engages with all the students, isn't afraid to ask your name, makes taking notes easy and is SO FUNNY! He also makes the class fun (well, Sociology is already fun, he just makes it more fun) and always has a story to share, a witty comment, or some sort of "presentation." This class was fantastic!
14. Bruce's class discussions are lively and fun. Sometimes, even if the students are not into the particular topic of the day, he finds a way to make it exciting & fun. Sometimes however, I don't really understand all his examples, could be better to have more examples. Overall, this class I would definitely recommend to anyone, & the instructor as well.

15. I feel this class increased my knowledge of my self and the society we live in. Bruce did a vary good job presenting the information clearly, and encouraged the class to share their opinions openly. I would recommend this class to other students since it is so interactive, and up to date.
16. Bruce is very knowledgeable and has a unique way to make every class enjoyable. He promotes class participation and also a friendly learing environment. I would 100% reccommend Bruce to anyone looking at this course.
17. Bruce is a great teacher, his methods worked well for me. He is very clear and can explain difficult concepts in a way that can be easily understood. He covers a lot of material and always presents himself in an organized manner. He made sociology interesting and fun!
18. Bruce has a clear grasp of what he is teaching and coherently provides the information to complete and pass the course. Throughout the semester he has strongly encouraged all of the students to bring up questions and ideas about the topic at hand. I would be honoured to take a similar class as Bruce as the prof. Bruce also was involved after class to talk to students about how this class has changed our views of the world.
