1. Just keep doing what you're doing!
2. The mini midterms is very helpful to give an idea of how the exams are set up I enjoyed this class very much.
3. enjoy coming to this class, every lecture is entertaining. Bruce makes sure his students understand the course by asking questions.
4. Bruce is extremely knowledgeable in the subject matter. He is hilarious & makes class very enjoyable. I have learned so much from this course & actually bring it up in outside conversations. Bruce is very considerate of different learning styles. I will definitely take another SLGY course from him!
5. Bruce guides his classes with confidence, he is really easy to learn from. He tells you what to expect on tests. I like how his tests are strictly written because you can't guess what you know. He's very approachable if your having trouble with something. I like how he does online chapter tests and uses easily learned examples for his different sociological perspectives. I would recommend his class to all my friends. Hope he teaches higher levels of sociology so I can take his class again.
6. Bruce is one of the best instructors I've ever had. His use of examples and his teaching methods engage my interest in Sociology and has allowed me to understand the content. These methods allow me to take what I've learned and apply it in real life. He's an EXCELLENT instructor. Keep it up!
7. Bruce is an excellent instructor. He is very clear about everything he teaches and what he expects from his students. He is very entertaining and makes me want to come to class. I would most definitely take another class with Bruce just to hear more of his stories. He is always well prepared and on time, and never gets off track. He is exactly what a teacher is supposed to be like!
8. Great profesor use humor to get key ideas across also use great imayery.
9. – I have truly enjoyed this course and will bring everything I have learned with my into Society - Your class has inspired me to take a different view on life. – thank you very much Bruce
10. I would recommend bruce to anyone, he was a great teacher, made this class far more interesting then I could ever have imagined. One thing I would say about his tests is that I would have liked to see more then just essay question. Overall, had a very good experience in Bruce's class and would for sure take a class with him again.
11. Bruce is good at getting students to see things from all angles and makes the course and class quite interesting. I do not agree with his Mid-Term and Finals being 100% written because some student's know the content but have trouble "teaching" it to him. I believe a mix of multiple choice and written should be incorporated into his exams as it can give a better job of actually assessing a students ability to learn the subject.
12. I have been at Mount Royal for 2 years now, & can honestly say that Bruce is the best instructor I have had at this school. He is so knowledgeable about the subject & uses perfect examples & illustrations that make learning the topics not only easy, but also enjoyable. I strongly recommend him to any of my peers. He makes sure that every student knows exactly what is expected on exams & allows many opportunities to contact him for help. A+!
