1. Bruce is a very good prof! He seems to know the course well enough, that he can explain the material clearly using his own words, without really basing from the book. He is simply knowledgeable in Sociology, considering the fact that he wrote the book. At first, I felt intimidate though asking him questions, but later that awkwardness kind of fade away ☺
2. I enjoy Bruce's instruction but I would prefer if there were more assignments like essays to evaluate my learning. I do not feel that my soclab tests are extremely helpful.. I enjoy the examples Bruce provides as well as videos etc. to relate Sociology to broader concepts. I feel that we could do more in class discussions to help better understand theory etc. because typically we don't have time for this. I would also prefer a different lecture style as copying notes from slides is not how I learn best.
3. Bruce is an excellent teach. He is very enthusiastic, use tons of examples, encourages participation by asking questions. I would strongly recommend him to any student wanting to take this class. Bruce is one of the best professors I have had.
4. Excellent content and instruction. Effective use of learning tools and good distribution of work load.
5. Instruction is very thorough, engaging, interesting, and enjoyable. However, learning assessment (ie, testing) occasionally seems exceptionally difficult for an introductory level course, and not necessarily reflective of my learning.
6. – Very theatrical teacher! - Mini & Mid terms were too hard in my opinion. Would recommend easier marking in the future (ie not expecting Diamond encrusted answers) - Overall an interesting class.
7. Although I really enjoyed the course I initial mini midterm kicked my butt. I understand that the purpose of this is a prep for the midterm but I feel like an even more lightly graded paper to understand criteria would be helpful. Really though the class was very engaged
8. I enjoy your class because discussions are interesting and it is nice to hear everyone's point of view in class. Sometimes I feel you don't respect and individual's opinion all the time but overall you a great professor that is knowledgelable and willing explain difficult concepts.
9. Great class, Bruce does a good job teaching the material. Would recomend it to others
10. Good instructor. Interesting dynamic lectures. Marking seems to expect a lot for a 1000 level course.
11. Bruce is an awesome teacher. Sociology isn't my area of study nor my expertise but his teaching techniques are extremely effective and help me learn better and understand the material.
12. Very entertaining! Keeps class fun and interesting and is very thorough with material. Would recommend him to others!! ☺
13. Bruce, you are a super fun and interesting teacher, your tests are crazy hard but worth the effort. Thanks for the mini-midterm, it was well needed, and definitely helpful!
