1. • Very good class. He knows what hes talking about. We were thankful to have the person who wrote the book be our teacher. Already 3 friends of mine are enrolling in this class. Such a good class!
2. Bruce is a great professor. Lectures are always interesting and he tries his best to keep students engaged and involved. Would love it if he used Blackboard a little more because it is easier for the student. Great course, great prof. Would love to take another course with him again. His passion is inspiring.
3. I thought this instructor was knowledgeable about this subject, and I would recommend this instructor to others.
4. Extremely well taught course and examples were helpful and accurate.
5. Fantastic lectures, enjoyable, Midterms seems a little difficult for intro course.
6. This class quickly became my favourite class to go to this semester, and I assume it is because of Raveli. He is an excellent professor.
7. Keep up the good work
8. → Really interesting class and has encouraged me to consider a double major. → many times left me mind blown → funny and effective way of helping me remember → favourite class! loved discussion
9. This is a really good course. I like what I've learned in this class, and the instructor was great. One of my favorite teachers because he clearly teaches all topics in a fun, interesting manner.
10. I have never had a professor that is so passionate with what they teach. This class has been nothing but an amazing experience.
11. – Bruce is an awesome instructor! He relates the course material to real life situations which made me really understand the course. Bruce is a hard marker but extremely fair, if you think you deserve a better grade, he will take a look over your work and look at everything. He was probably the most approachable prof. I have had.
12. Amazing, awesome and fun teacher. However I find your tests and your marking on tests to be way to hard for a first Sociology course.
13. Bruce's teaching style is appreciated by all his students, he is funny and is very knowledgeable. He gives every opportunity for extra help and clarity on subject material. He provides us with all the tools necessary to do our absolute best, it is up to the students to follow through Ebert & Roeper give bruce 3 thumbs up. Excellent Teacher all around!
14. I enjoy Prof. Ravelli's lectures because he bases everything on real life events that you can relate to. His jokes are also funny and when he lectures he asks questions which makes you think about it more. Also, I find the finals/midterm was fair and not so specific. 😊
15. Bruce is a very good instructor and pushes students to try hard and learn more. Ease up on the tough marking is all I recommend. Other than that Spot On!
16. The lectures were engaging and exciting. I felt like the marking on the written portion, considering the bulk amount of content we had to study for them, was a bit harsh and unfair. I would say either specify what will be on the test exactly or ease up on the hard marking.
17. Thank you for opening my mind to the concepts in this course. I took this class thinking it would be easy but I really enjoyed what I learned. Your teaching style is very effective. *(Student drew a picture of a happy robot)*
Cheerful Robots!

18. I would highly recommend Bruce as a Prof for anyone looking to take a sociology course. He is very knowledgable. His class is well structured and easy to follow. The written exams were very stressful but manageable. This class had to be my favorite class at the same time one of the classes I had to work the most at. Overall a very enjoyable class to come to and a great instructor!
19. Bruce is an excellent Professor. His knowledge base and ability to explain lecture material is extraordinary. Hands down my favourite class I have had at Mount Royal. The only think I would suggest would be to make two different midterm exams and space them out a month apart. Sociology was a very difficult class, but if you listen to everything Bruce says to study for in the lectures and course outline, you should do fine
