Instructor Name: Bruce Ravelli
Course ID & Section: Slgy 2201-005
Semester: 200304

Instructor Signature: _____

1. Bruce needs to understand that different people have different ways of learning, and not everyone can get a passing mark by only having tests. instructor needs to take into consideration learning styles, and give students more opportunities to gain marks.
2. Bruce is one of the most intelligent and friendly teachers I have ever had. He does an amazing job teaching and relating the lesson directly to us. After his classes It is very easy to get lost in thought. He is amazing.
3. Very interesting course.
4. Gret teacher, best I had
5. A wonderful Instructor!!! Passionate about his work, and knowledgable about his subject. MRC should be proud to have such an amazing man of staff.
6. The best instructor so far. Look forward to his class and have recomended to others. He sets the example for professional instructors. Keeps class exciting and fun.
7. Great class, fair examinations, Great teacher, very inspiring.
8. Bruce is a great teacher. He keeps the class interesting, by using examples from the world that we can relate to. Everything he tells us is how it is, study everything...if we don't it's our own fault. I would reccomend him as an instructor to anyone!! Being in his class was a very positive experience.
9. Bruce is an absolutely awesome teacher. He really cares about this subject (Sociology) and his students. This shows through in every class. Bruce does have a high expectation of what he wants from his students. He makes this apparently clear in the first class. He's brutally honest in what he expects and how he will run the class. Never look at the class average to determine how good of a teacher Bruce is! He expects a high level of understanding because he feels that having a sociologically active mind in society is so important. He tries to change that in us as people and citizens, He's preparing us for Life... Thank you Bruce!
