1. This guys awesome, halariouse, but insanely hard marker. 3 sources of info kind of overdoes it.
2. very good lectures.
3. Good class, I enjoy it very much ☺
4. This class is by far my favorite. Bruce provides interesting and controversial views on relevant issues of today. I would and have strongly recommended Bruce as an instructor to other students.
5. Bruce is an excellent teacher, one of the best I have had. Is very animated and gives good examples and stories to complement the material, which really helps with understanding the comments. Class is a joy to come to and always flies by. I would recommend Bruce to any of my friends as a teacher. Just excellent.
6. Funny guy, Good examples
7. He grades hard but other than that hes awesome and for future sociology courses Ill make a point to try and get into Bruce's classes.
8. I usually know a lot of the answers but you're intimidating so I don't answer. But I love the course
9. Bruce is extremely knowledgeable, and knows what he's talking about. He always uses great examples and is definitely one of the best instructors I've had.
10. Bruce is a very talented teacher, makes everyone feel welcome and comfortable. Thanks Bruce!
11. Excellent.
12. Really enjoy Bruce and the class, I would recommend him to anyone, great teacher!
13. The class was entertaining and very comprehensive in the areas of Sociology. Some extended class discussion takes away from class material, but not greatly.
14. When I came to this class for the first time I had no previous knowledge of the subject. Even though the tests are very challenging the material is really fun to learn and Dr. Ravelli is good at teaching it. He speaks clearly and tells interesting stories!
15. Exelent teacher, I feel that he makes learning fun and interesting, my only complaint would be the time rush I felt during the Mid-term. Otherwise, flawless
16. Bruce is an amazing instructor! His lectures are extremely engaging and fun! Whoa! His testing and grading are very fair and I would consider this course to be my favorite ever taken by far – not only because of the material but also the wonderful instruction I received. Thanks alot Bruce and keep up the great work! Ya!
17. Bruce is a great teacher. He is intimidating at times and was hard to approach at first. But then assigned people in the class that students can go to if they have problems and it gets relayed back to him. He's a great SLGY teacher.
18. I thouroughly enjoy this class. Not only is it interesting, but it was eye opening and challenging. Bruce teaches with great enthusiasm and is an amazing professor. He's the kind you remember 20 or 30 years later. Amazing.
19. Bruce definitely knows the material, and his passion for the subject he teaches is obvious. He is always very well prepared, and he makes it clear that he has high expectations for his students. One criticism is that he's a little intimidating and unapproachable. → reminds me of Jack Nicholson (expressions and voice) Great teacher overall though, and I love the stories and examples.
20. I feel more content and information is expected in exams than time or space allows for, however the content is clearly and understandably taught with fantastic use of examples to illustrate concepts. I would absolutely recommend Ravelli to other students.
21. I really enjoy my classtime in SLGY 2201. Bruce does a great job of teaching the course to everyone in the class. He has alot of extra time to helpout if needed, especially through email. I have this class on Mondays, Wednesdays, and Fridays and it is my only course on Mon and Fri but I love coming. It has never been a drag to be here even on exam days. He is probably my favorite

teacher I have ever had. He is a great speaker and motivates me to be as passionate about my job as he. It has been a pleasure. I have recommended Ravelli to everyone who is interested in SLGY.

22. Mr. Ravelli made slgy 2201 interesting, he made the class want to attend. He brought textbook concepts to life for us through stories, scenarios and examples. He made it very clear that he was available if we asked. This course was very challenging, he has very high expectations for midterms and exams, but I think it allowed us to benefit and take a lot more away from the course. An extraordinary teacher. For the 1<sup>st</sup> time ever I never missed a class in this course. He made me want to come ☺ Thanks!
